Re: Slomowitz v. Ryder et al  
07 CIV 10305 (SCR)

Dear Judge Robinson:

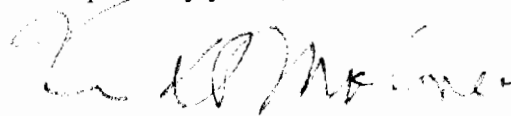

I represent the plaintiff in the above case.

I am requesting a further adjournment of the due date of the Scheduling Order in this case to March 28, 2008. A previous request for an adjournment was made in my letter to the Court dated December 17, 2007 (copy enclosed).

I just recently was contacted by defendant Ryder Truck Rental, Inc.'s claims department (the defendants are self-insured). They have not yet retained local counsel to represent them in this case. They requested a 60-day extension of time to answer, so that they could explore a possible settlement of the case with me. If that fails, they will refer the case to a local law firm for defense.

I granted the defendants the courtesy of the 60-day extension of time, subject, of course, to your Honor's approval. Under the circumstances, I would appreciate it if the Court would extend the due date for the Scheduling Order to March 28, 2008.

Respectfully yours,
